

**When compared to the competition,
Longhorn Solar was the obvious choice:**

- Decades of Solar Experience
- #1 Solar Panel Installer in TX
- Vetted by the USDA and SECO
- No Subcontractors
- Best Warranty in TX
- 1 of only 4 Certified Tesla Powerwall2 installers in TX

**Longhorn Solar is proud
to be the partner of**

THURMAN HOMES IN WHISPER VALLEY

Thurman Homes set out to build affordable, sustainable housing in East Austin in the Whisper Valley Community.

**They searched for a solar panel installer
that would meet the high-quality standards
they set and share a common vision of a
more sustainable future.**
